

THE 9TH CHINA INTERNATIONAL IMPORT EXPO (CIIE 2026)

Canada Agrifood Pavilion Exhibitor Invitation

November 5-10, 2026 | Shanghai, China

ABOUT CIIE

Hosted by China's Ministry of Commerce and the Shanghai Municipal Government, the China International Import Expo ([CIIE](#)) has become China's most influential platform for marketing and promoting imported products across multiple industries to buyers nationwide. Each year, the Expo attracts a wide range of professional buyers as well as senior officials from China and abroad.

The 2025 edition welcomed 460,000 visitors from 138 countries and regions, generating strong commercial outcomes for international exhibitors. A record 110+ Canadian companies exhibited at the show, with approximately half representing the agrifood sector. The Government of Canada organized three federal pavilions - agrifood, consumer goods, and nutraceutical products at CIIE 2025. A three-day B2B matchmaking program for Canadian agrifood exhibitors was organized by the Canadian Trade Commissioner Team of the Greater China Network, enabling companies to connect with nearly 50 local buyers and resulting in over 70 meetings.

The 9th CIIE will take place in Shanghai from November 5 to 10, 2026. The Consulate General of Canada in Shanghai will facilitate the organization of a Canada Agrifood Pavilion in the Food & Agricultural Products Hall, showcasing high quality Canadian products to Chinese buyers, distributors, and media. We warmly welcome your participation.
